

A complete fundraising and donor management solution

Completely customizable to the needs of almost every type of nonprofit organization, DonorPerfect is packed with powerful features that help you efficiently and effectively manage donor data and raise more money for your mission - and you have the flexibility to add more functionality anytime as you grow.

With DonorPerfect, it's easy to track and manage unlimited constituent and fundraising data. You can readily access your donor information to guide fundraising efforts, process donations, and create reports that can help you plan future campaigns.

Your Core DonorPerfect System Includes:

- **Unified Constituent Database**
 - Donors
 - Volunteers
 - Members
 - Event Participants
- **Receipting and e-Receipting**
- **Contact Management**
- **User-Based Security**
- **Word, Excel, & Outlook Integration**
- **Daily Backups & Restore**
- **API**
- **Advanced Security**
- **Custom Export Template**
- **Fundraising Management & Development**
- **Direct Mail & Personalized Communications**
- **Powerful Filtering & Targeting**
- **Comprehensive Donor Reporting**
